

# 23 FOR ESG

Creating meaningful impact through environmental, social, and governance (ESG) practices.

What can you do? Even small changes in your daily life can make a positive impact on the environment and on the way we respect one another. Embrace your sense of purpose and #BePartOfSomethingGreater in your community. Here are 23 ideas to get you started—or keep you moving—on your ESG journey. Together, we will lead with ESG.
