

# Get Started with LinkedIn Learning Today!

LinkedIn Learning is a highly personalized learning experience designed to help you achieve your professional goals through learning.

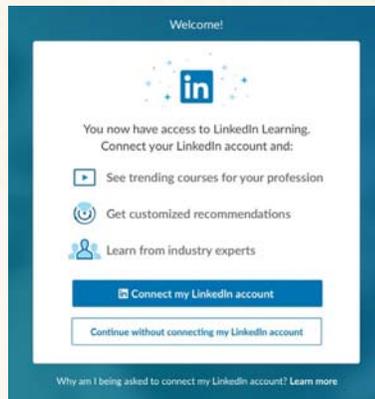

CohnReznick provides you with unlimited access to the full LinkedIn Learning library through LINC. The first step is activating your account, the next step is tapping into the limitless learning opportunities!

**Connect LinkedIn Learning to your Existing LinkedIn Account or Create a Separate Learning Account**  
Account activation is necessary only when starting a course for the first time.

## Connecting to an existing account:

Log into LINC, select *Program Catalog* on the left panel and filter to one of the LinkedIn Learning Catalogs; determine a course of your choice and click Preview→Enroll→Launch

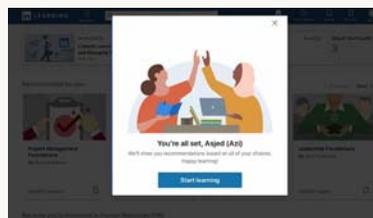

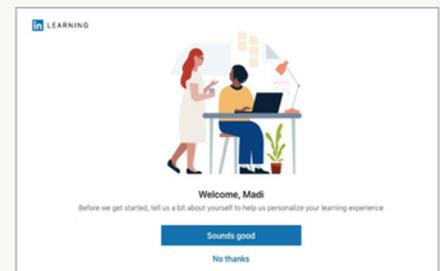

Next, you'll be prompted to connect or create a LinkedIn account

You may be asked to sign in to your LinkedIn account. Please use the email and password you used when registering, which may be your personal email address.

Select at least one skill you want to learn. As you select skill categories, similar skills will populate that you may also be interested in.

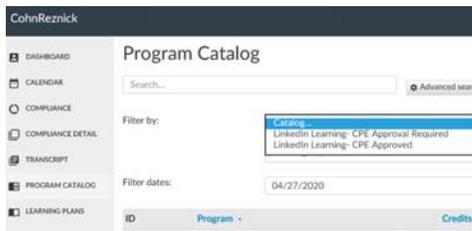

Start learning!

## Benefits of Connecting

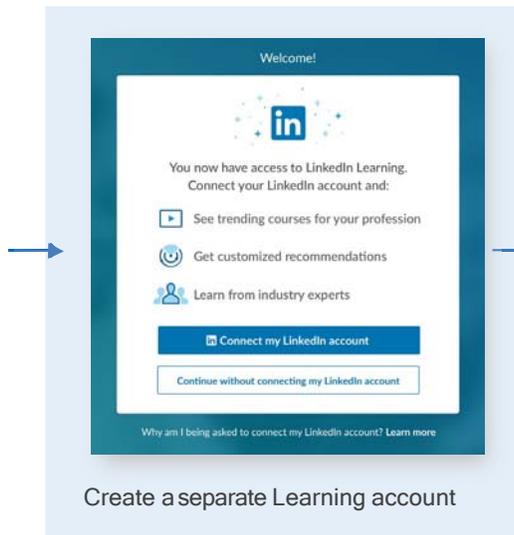

- 01 Experience personalized learning with recommendations and newsfeed updates based on your professional profile and what others in your network are learning.
- 02 Leverage Social Learning with course Q&A and the ability to connect with the instructors.
- 03 Access your learning activity as needed through your LinkedIn account.

CohnReznick can't access LinkedIn account information; review the *LinkedIn Account and Learning Connection Privacy FAQs* in the LINC Resource Center to learn more.

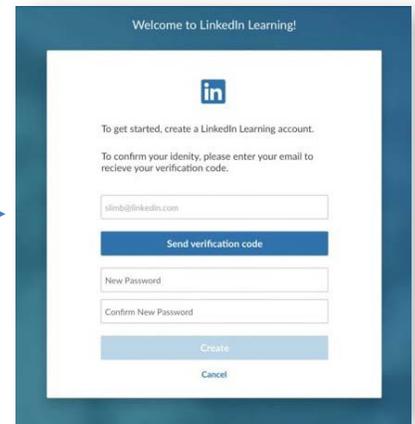

## Creating a separate account

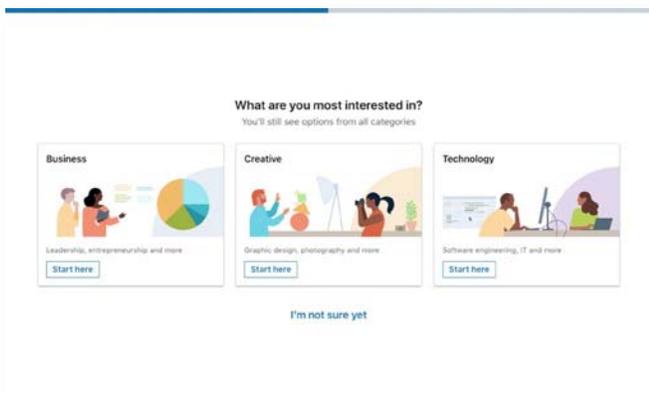

Log into LINC, select *Program Catalog* on the left panel and filter to one of the LinkedIn Learning Catalogs; determine a course of your choice and click Preview→Enroll→Launch

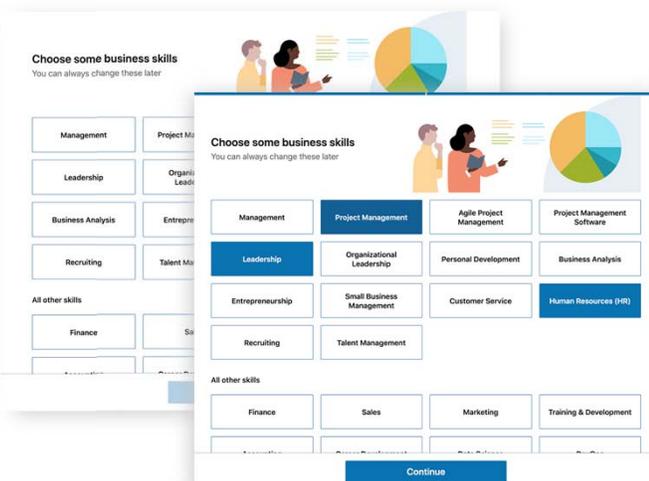

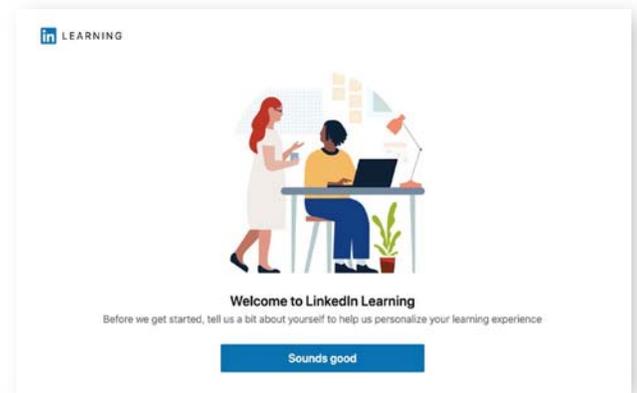

Create a separate Learning account

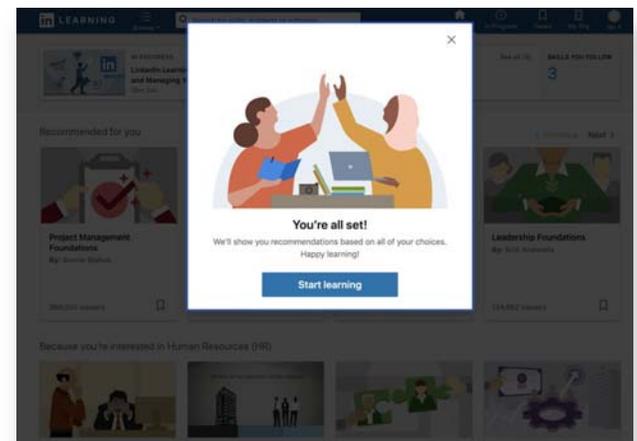

Enter your email to receive a verification code. Create a new password.

Get started by choosing the library you are most interested in
