

THE COHNREZNICK FOUNDATION 28th ANNUAL CHARITY GOLF INVITATIONAL

Monday, June 10, 2019
Liberty National Golf Club
Jersey City, New Jersey

With the help of your generosity, the CohnReznick Foundation and the Firm's CohnReznick CARES initiative will once again provide major contributions to two very important charities: the Special Operations Warrior Foundation and the Joe Torre Safe At Home Foundation.

The 28th Annual CohnReznick Foundation charity golf invitational will be held on Monday, June 10, 2019 at the beautiful and historic Liberty National Golf Club in Jersey City, NJ. The unique CohnReznick golf experience includes:

- A full day of golf and entertainment on a renowned 18-hole championship golf course
- Closest-to-the-pin and hole-in-one prizes on all par-3 holes
- A \$10,000 team shoot-out
- Top-notch services from this esteemed club's staff with all gratuities included (including caddies)
- An exquisite brunch, lunch on the course, cocktails, and dinner
- Unique silent and live auction items
- Distinguished guests from our benefiting charities

The format will be "everyone plays their own ball." There will not be any form of "scramble," "shamble," etc.

The CohnReznick Foundation: Our Commitment to Community Involvement

At CohnReznick, we are committed to the communities which we share and take a hands-on approach to aiding in their development. Julius H. Cohn said, "if you do your best to serve faithfully your community, your clients, and your associates, success will most surely follow." This philosophy has been part of the Firm since its founding in 1919. The CohnReznick Foundation, through its events and fundraising, gives support to young people in need, from children to college students. Over the last 10 years, the Foundation has donated over \$1.5 million to the Special Operations Warrior Foundation and the Joe Torre Safe At Home Foundation.

About the Charities

The golf outing specifically benefits the **Special Operations Warrior Foundation** and the **Joe Torre Safe At Home Foundation**. The Special Operations Warrior Foundation provides college scholarship grants, along with financial aid and educational counseling, to the children of Special Operations personnel who were killed in an operational mission or training accident. The Safe At Home Foundation is devoted to developing educational programs that will end the cycle of domestic violence and save lives. Additional information on these two charities is available on our website at www.cohnreznick.com.
