

AUDIT, ACCOUNTING, AND FINANCIAL SERVICES FOR GOVERNMENT AND PUBLIC SECTOR ORGANIZATIONS

Overview

On a daily basis, the finance, accounting, and program professionals from federal and state government agencies and public sector organizations must address numerous financial and management issues. CohnReznick Government and Public Sector Advisory can help.

Our advisory professionals help government agencies address complex audit, accounting, compliance, and financial reporting issues by delivering practical and cost effective solutions. They also help to ensure the best use of taxpayer dollars.

The CohnReznick Advantage

Government and Public Sector Knowledge

As one of the top accounting, tax, and advisory firms in the United States, CohnReznick helps government and public sector organizations maintain transparency by providing processes that address compliance with government regulations, manage risk, and deliver accountability to citizens.

We offer the resources and technical acumen of a large accounting firm with a hands-on, entrepreneurial service

approach that growing organizations require. This includes providing them with strategic advisory services in the areas of fraud detection and prevention, forensic consulting, regulatory and strategic compliance, risk management, internal auditing, IT auditing and security, and technology consulting.

"Zero Risk Proposition"

We have earned a solid reputation for providing high quality service, technical experience, rapid deployment of resources, and a collaborative work ethic designed to deliver "zero risk" to our clients. The CohnReznick team you meet at the beginning of an engagement is the team that will be there to see the engagement through to final closeout.

Yellow Book Audit Expertise

With offices across the country, more than 650 of our professionals are Yellow Book trained. Our accounting professionals perform more than 1,200 Yellow Book audits annually and we have detailed knowledge of the requirements used in auditing federal financial statements pursuant to:

- Generally Accepted Government Auditing Standards (GAGAS)
- OMB Circular A-136, Financial Reporting Requirements
